

The diagram shows a user profile for 'Lumi na'. It includes a placeholder for a profile picture, a 'Owned by KANE' label, and a 'ROLES' section with 'GAD' and 'MINT' roles. The 'STATUS' is 'ONGOING', and the 'COMPETITION' is 'KANE'. The 'TECHNICAL SKILLS' section lists 'C' and 'Logics ...'. A flowchart at the top right shows 'LEAVE' leading to 'JOIN', which then leads to 'SEND MSGS'. A 'PENDING' label is also present. A note on the left says 'same goal(?)' with an arrow pointing to the 'STATUS' section. At the bottom, it says 'UPCOMING ONGOING FINISHED'.

The sketch shows a software interface titled "OWNED PROJECTS". On the left is a sidebar with a folder icon. The main area contains a table with the following data:

LUMINA		FINISHED									
RATE!		0	2	3	4	5	6	7	8	9	10
②	KATIE	0	0	0	0	0	0	0	0	0	0
⑦	DAVID	0	0	0	0	0	0	0	0	0	0

At the bottom of the main area are two buttons: "CANCEL" and "SAVE". Below the main content area is a large empty rectangular box.
